Dear Scholarship Applicant: (RE: Fall, Spring, Summer)  
Kids on Camera has established a program to provide financial assistance to students of low income and special need families. **In return**, the parent and/or student are asked to provide work exchange services behind the scenes during a weekend 8-week series, one-day workshop, summer day camp, and/or special events such as at an open house or talent showcase. **In addition, if the parent is available**, 6 hours are arranged on weekdays in the East Bay/ Point Richmond home office during the term.

**Scholarship funding is limited. We are not funded for scholarships, however, we aim to help applicants.** To accommodate you each applicant is asked to carefully consider their specific financial need and specify how much assistance is required where noted on the application questionnaire. **The maximum financial assistance we can provide is 30% - 40% off of the full course fee. If a parent helps on weekends and/or weekdays fees will be negotiated. Payment plans are available over 3 mos for our 8-week series and for one-day workshops.**

Applications will be considered in the order they are received and all applications will be kept confidential. Parents and students should carefully complete the Scholarship Application together. All applicants will be interviewed. **We recommend attending our open house or scheduling an informal interview in person or via the phone.**

Scholarship enrollment is dependent on space availability. Course choices for scholarship students are limited to the openings available. **Placement will be confirmed 2-5 days before the 1st class series, camp week, or one-day workshop.**

**Please indicate your 1<sup>st</sup> and 2<sup>nd</sup> choice for a weekly series, camp, or workshop, where indicated on the application and on the registration form.** Every effort will be made to place you in one of the courses of your choice.

Scholarship students are expected to attend class regularly and complete all homework. We do not provide make-up classes or interchanging of class day/times. Parents and students should give serious consideration to this commitment when making your course choice. High absentees may result in forfeiture of scholarship. The last class is a viewing and parents attend to share in their student's progress.

**-TO APPLY: Submit application, a completed registration form, and \$50.00 refundable deposit to: Kids On Camera, P.O. Box 70862, Pt. Richmond, CA 94807 See an enclosure for our procedures for the work exchange. (Continued)**

Sincerely,  
Kids On Camera Staff
